Dear Mr. Weiss:

What you are doing sounds wonderful! You certainly have our support for the project.

We do have a variety of programs in our schools which could conceivably connect with your effort. Internships, however, might be very difficult given the traveling time between here and there.

Please feel free to call me to discuss this further (516-248-3105) if you think that I could be of assistance.

Sincerely,

John E. Bierwirth  
Superintendent of Schools
