CENTRAL ADMINISTRATIVE OFFICES**

July 3, 2003

Mr. Alan Weiss, President
Marine Helicopter Squadron 361 Veterans
P.O. Box 429
Cutchogue, NY 11935

Dear Alan:

Having noticed the UH-34D helicopter in Jamesport on my local travels, I am pleased to see that your association has committed to this significant undertaking. Having ridden on helicopters as a veteran in Viet Nam, your unit brings back memories to me, as well.

The Mattituck-Cutchogue Jr./Sr. High School has an active Navy ROTC program that may benefit from learning more about your project, or possibly assisting with the effort. I am passing along your letter to Principal McKenna and the ROTC commander accordingly.

Best of luck with your restoration and education program, and continue to keep us posted as to further developments.

Sincerely,

Kenney Aldrich
Superintendent of Schools
