Dear Mr. Weiss:

The Southampton School District enthusiastically supports the Marine Helicopter Squadron 361 Veterans Association Project.

Enriching students' learning experiences is one of the primary goals of the New York State Standards in Social Studies and such a project offers an excellent opportunity to provide learning outside our classrooms.

We look forward to participating in the activities planned by the Veterans Association.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard C. Malone", with a long horizontal flourish extending to the left.
