Dear Mr. Weiss:

I recently learned about the efforts you and your organization are making to restore the Sikorsky UH34D. The UH34D played a significant role in war and peace – from combat in Vietnam to lifesaving and space recovery.

Giving a second life to that particular helicopter for purposes of education and inspiration to our young people is indeed a worthy purpose.

Congratulations to all those working on this worthwhile project.

Best regards.

Sincerely,

Best regards - John Glenn
